A SCHOOL PICNIC

Naat competition was organised on 6th Sept., 2019 from std. 1st till 7th. All students were informed prior in the calendar about this competition. Fifteen days before, everybody started their preparation. They started selecting Naat. Maulana explained to students the differences between Hamd, Nazm and Naat. Hamd means praise of Allah while Naat means praise of Nabi (SAW).

Students were very excited. Almost every student took part. They were taking help of Parents and Ulma's for preparation. Even teachers were listening students in the break. Recess timing was used for practice. Students are the future of tomorrow. It is the duty of teachers to bring out the potential of the students. Competition are organised to make students aware of their abilities and potentials. All of us are different from each other but our motive is the same. All of us want to acquire knowledge. There are many benefits of competition and if someone fails, it doesn't mean they are unable. It shows they are not ready and should work hard for the next time. Competition help us to improve and analyse our progress. If you are one of those who work hard then competition can really be helpful for you. Competition also encourage us to become more skilled.

Under the guidance of Maulana and Aalima, students practiced for the Naat. Even the teachers collaborate and made the students practice. Along with the competition they will be quite touch with the religious beliefs and express the sunnah of our Nabi (SAW) in form of Naat.

All this quality and many other things are describe in Naat. When the students are preparing for competition they come to know about their Nabi and they want to follow his path. The school succeed in achieving his target.

Chief guest great poet was very impressed by the participant. Students who were not having good voice also took part. It was very difficult for him to select three best students from each class. He gave some important tips to the students. He was very impress by the performance of the students. He even performed Naat. Everybody went happily with good memorizes prize and certificate.
