SPELL BEE COMPETITION

Spell Bee Competition was organised by the school on 8th Nov., 2019. It was conducted in all the three language for all the classes. Preparation of this competition in made since the begin of the year because spelling play a very important role. Spelling, the art of correctly assembling words from their letters is one of the essential components of successful writing. Being confident at spelling leads to confidence in all aspects of literacy. The ability to recognise the link between word of the same origin and understanding word relationship has been proven to aid comprehension skill. Spelling instruction improves reading ability as it builds a learner's knowledge of the alphabetic system as it used in reading.

The competition was organised to teach young spellers the strategies rules are concepts to grow their, spelling and vocabulary knowledge benefits them in all aspects of their learning as well as in their everyday life.

Finally the competition day arrived. Lots of preparation was made by the students. Spelling rules was explained by the teachers to the students. Not only the language teachers were working hard but the subjects teachers were also doing efforts. This was the hard work of the students. Through competition they learnt the spelling. They were learning the rules and same rules they discuss and teach to their classmates. It was a very fair competition everybody was sharing knowledge. Recess time is used for discussion. Even during the class they try to write the difficult words on their own by following the spelling rules.

The competition is won by the management because the target is achieved by them. Through competition children have learn,

to write correct spelling. They learn to share knowledge. They learnt the concept of unity.

On the final day some students were confident, some were nervous and some very excited. Everybody wants to win the competition. Some students were so excited as soon as they enter school they started inquiring at what time the competition will be held. They started revision. Spelling was selected by the Principal. The competition was conducted by the language teachers. After that competition again the discussion began. It was very difficult for the teachers to control them. That day all the students were very tense.

Next day they wanted to know the result. But they were informed that after few days the result will be announced because teachers are having other responsibilities they need time. Finally the result was announced. The winners were very happy. But the teachers played very important role here, they encouraged those students who worked hard but because of minor mistake they missed the prize. They told them to check their work before submitting. Some make mistake in writing i.e. e. They discussed their mistake and encouraged them to improve their mistake and try next time.

On the decided day all the students were gather in the hall and the prize distribution ceremony was performed. Winners were awarded prize and certificate. Winner went home happily and the looser with the aim that they will win next time.
