SPORTS DAY

Like all other years the Annual Sports was held gracefully Alhamdulillah. So this year Annual Sports was also held and organised at Priyadarshini Park. The dates for the sports day was scheduled 13th January, 2020. It was going to be a huge programme of the year. All the students were very much excited after all this was the time to enjoy beyond the studies. All the students have taken part in those games which are their strength as well as the game they like. But the sports day didn't emerge on the actual day, the practise of it was done month before. Parents were given prior notice that students were selected for certain events. So they can prepare themselves for this day as per to the instruction given.

It's not the will to win that matters. Everyone has that, it's the will to prepare to win that matters.

Teachers, students and the management were displaying great example of the teamwork. Students under the guidance of teachers practised the mass drill to welcome the Chief guest and the preparation and practise of the different kinds of the games.

Great people have written "Perfect Practice Makes the Man Perfect"

So preparation and organisation were done perfectly. So they can settle our sports programme properly. Practicing the game is not the actual deal but it also to prepare for the props. Office staff and teachers were collaborating with each other to deal with every props to be needed on the sports ground.

Different slogans charts were prepared by students to

enhance the courage of the students under the guidance of the teachers.

Teacher played more attention on the mass drill. They were making students to focus on the practice of the mass drill. Since that was the catching part of the sports. Teachers had organised and schedule the programme according to the different section. It was planned that pending programme of the sports day will start with pre-primary section then the middle part was held by primary section and the last part was occupied by our secondary section. So our Principal have organised and planned the sports occurring to the section scheduled. So the programme may go in proper follow. Teachers were also practicing it according to the sections set Teachers, office staff and students after enrolling their hard work for one month had been preparing for this day. Parents were given information as prior by giving notice to them and they have also contributed to excel this program properly.

The day has arrived and the time had come where the students will show their extra efforts and quality of talents with support of the teachers etc.

Many great people have informed “Run when you can walk if you have to crawl if you must just never give up”

The auspicious programmes have spurred with the speech of our honourable Chairman and Principal. Then after the giving the religious touch with recitation of the Dua. Some of the teachers were given the duties of the comparing of the programme. So a teacher from every section were comparing for their section programme. The programme was divided into two section i.e. (1) group events and (2) Individual events.

First boys section had started their events. Teacher announced the opening of the Boys section. Two section had already accomplished lastly our secondary section had started. Teacher announced the first individual events that was 200 meter race. In this race seven participants were enrolled. Spectators were boasting them randomly. Students showed power performance and one of them won it. Then the second race was long jump, students were excited to perform this jump of. They showed their extreme level of power to jump as high as they could. Another events following was

“Back Balloon Race”. Teachers were in ready position to provide the props on the ground before hand as the announcement begins. In this race students were divided into two pairs and they have to stand by facing their backs to each other along with the balloon insert between them and they were supposed to balance it properly and reach to their destination. Audience were cheering for them. Next event was 'Needle and threads' were placed on the starting point in front of each participants. Students had to put the thread in needle and then run towards the ending point as fast as possible. Now it's time for short put event were students had to throw the iron ball according to its method. Those who can throw as far as possible, will win the race. Another individual race was sack race. Students here wore sack and had to hop and move from starting point till the end point, who will reach first will win this race. Parents, teachers and students were enjoying the race with the great pomp. Now the arrival of the last event which is 'Buzz the Brain'. Students were given cards which contains maths puzzle one students will active solve that puzzle at the starting point as soon as possible and run towards the ending point. Alhamdulillah the individual event was over for Boys section.

After the individual event, the announcement of the group event was done. Teacher had prepared the props first hand and hand it over to the events to which the students belongs. Students were also paired by the teachers according to their group events. Teacher then were in a ready position to pair the students according to their group events. Teacher then announced for the first event 'Tug of war'. Students were very curious for this game and even the teachers. Next race was announced was related to our traditional game i.e. Kabaddi. Here the raiders were divided in to two groups as opponents. Spectators were cheering for them and also motivating the raiders. And now the last group event had arrived i.e. “Dog and the bone” which was held for lower secondary boys.

In this race a piece of cloth was displayed in between where the students were called. Then anyone player needed to have to grip the cloth and run towards their team members. This was one of the most enjoyable events of the sport.

Now the time came to distribute the trophy and medal. But firstly our Chief guest gave powerful speech which inspired the students, especially for those who haven't won. Then they distributed the medals, trophy to the winners along with the certificates.

After the Pre-primary / Primary section. Our secondary section sports for girls' event started. Again the ground was filled with parents teachers and students teachers and non-teaching staff were always in ready position to spur the sports events teacher from secondary section started comparing and announced first individual events that was 'Blind fold'. There were total participants. Here the girls will blind fold themselves at the starting point and will walk towards the ending point as soon as possible.

Next event was 'Organising Cloth' which every girl was seeking perfection in wrapping the clothes at the starting point and then run toward the ending point. Next race was "Hurdle Race". The rings were set on the ground at certain distant. Here the participants have to cross these rings and reach towards, their destination. Next event teacher announced was 'Musical chairs'. Students enthusiastically performed in this event. Next event were announced that was group event which was very drastic game the 'Wheel Race'. Teacher explained that every student will form wheel and then reach the ending point. Lastly the teacher announced the last event 'Dodge Ball'. The participants will form round circle with the one team and in between the circle the opponents will stand and they have to rescue them from the ball which the girls will throw. At last the girls' event was also over. Everyone enjoyed this event.

Great People Have Expressed "A Trophy carries dust. Memories last forever"

Our honourable Principal and Chief Guest distributed the trophy, medals and certificates and also inspired the students by their speech. Now at last parent, teacher race were scheduled. Among the male staff Waqar sir won the race and in female staff Miss Shahin and Miss Tehreem had won. With a lots of efforts of teamwork and hardwork. Our sports ends with the best results. Alhamdulillah.
