COLOURING COMPETITION

Drawing Competition has been always a hot topic for report writing. There is always a trend of writing a description on Drawing and Colouring Competitions being noticed in many different schools.

Wonderful Drawing Competition was organized in the Bilal school. A notice from the table of the school Principal was circulated day before in this regard in order to notify and enlist the names of the participating students from the school. A total of four groups were formed with around 25 in each group and each group was provided with a specific picture to colour. Students from all the classes of Pre Primary section participated in the inter-school competition. The competition was conducted with in the school premises. A set of instructions was already given to the students as well as to the parents before the competition. Students were very excited for the competition.

The objective of the competition was to encourage students participation. To make them aware of the various colours. Colouring more and more enhances muscular development. The program started at around 10:30am in the morning and finished off by 12:30pm. Academic Director was given the responsibilities to supervise students and teachers. She assisted students as well as teachers during the Programme. Students were very excited to start colouring. There were colours all around. Printed paper with pictures were given to them.

The time started as students took their seats. Students came out with beautiful colourings. Students showed their curiosity in painting. Spectators were observing their paintings.

Finally the time got over. The programme proved to be very successful. Students came out with beautiful paintings. Best paintings were chosen by Academic Director. Students were awarded with certificates. Thus, after such a happening eventful day,

the program came to an end with a short speech by the Principal of our school. The programme was a grand success. Our toddlers got an opportunity to show their interest and prove their skills in extracurricular activities.
