SPORTS DAY

Sports day and Annual Function are the two big events of school. They need a lot of preparation a practice. A sport day was to be held on 13th January 2020. First all events was decided for every standard from nursery to eight group and individual races were decided. Three events for each class was finalised in the meeting by the higher authorities of the school. Then the event in charge was appointed. The teachers were asked to make a list of the material that they need for their events. Props and other requirements list was also made to make the event successful. Snacks were to be provided to the student and staffs was decided by the admin department.

Mass drill is a group event that's why from the begin of the year, teachers of primary and secondary section were instructed to do practice in the P.T. period. One month before the sports a new time table was made in which each class was sent in the school compound to do the practice of the races. A week before they did practice with their props specially small students.

In the beginning of the academic year Priyadarshini Park was booked for the sports. At the time of booking the list of the item available with the ground authorities was taken and handed over to the event incharge. The first was forwarded to the teachers. Two – three days before the event few teachers and the selected staff from the Admin along with the higher authorities went to visit the ground, so that the sitting arrangement of the students can be made properly. Admin department decide the sitting arrangement of the parents and others arrangement with the higher authorities and the ground incharge. A meeting was conducted and the duties were allotted to the teachers and other staff. Two day before the event the props and other material were packed in the boxes and handover to the admin staff.

One day before the sports all the students, teachers and all the staff were present in the ground for practice. As per the decided schedule everybody reached the ground on the given time. And the practice began. As per the list of event one by one each event was performed. Everybody was performing his duty at its best.

Finally the Sports Day arrived. It was on 13th January, 2020. Students, teachers and other staff of the school was ready to give their best. The sports began with Qirat recitation followed by National Anthem. Then our first event of Mass Drill was performed by our primary and secondary section. Then one by one as per the list, the event were performed parents and students were encouraging the participant by cheering.

The performance of the pre-primary students was outstanding. Everybody on the ground was cheering them even the chief guest left their places and came near the track to encourage them. That scenario cannot be described in words. These little Angels were the centre of attraction of the day.

One after the other the events were performed. Parents, students and the respected judges all were enjoying the events. For group events the judges came on the track. They enjoyed individual events so much that they cannot resist themselves. They came on the track to see the group events. Throughout the day the environment of the ground was filled with the cheer of parents and students at 1:30 a lunch break was given. In the lunch break they enjoyed with many delicious dishes with tasty snacks and pickles. All the students, teachers, parents and everybody present on the ground enjoyed every moment of the sports day. Then again the events began. Parents' and teachers' race was a surprise for everyone.

Then the prize distribution ceremony was started. Trophy and certificates were given to the winners. Then the Chairman announced next day holiday. Everybody went home tired with sweet memories.
