ANNUAL SPORTS EVENT (2019-2000)

Like every year, this year also the renowned Bilal School, school has organized their Annual Sports Day with grand splendour. On 12th January, 2000 the Annual Sports Day was scheduled in the field of Priyadarshani ground like any other year. It was going to be a huge program of the year.

It was a cool sunny morning, as it was the day for the Annual Sports meet in the school. School buses were arranged for school staff to reach the venue. The buses left the school at around 7:30am in the morning and reached the venue at around 8:00am students reached the ground with their parents. According to Academic Director of the school, was the incharge over entire teaching staff. All arrangements like constructing the stage, preparing the field for Annual Sports Day were already done in ground by the sports management authority of the School. As per the school's instruction, all the students were present on the ground on or before 8:00am.

All the students were very much excited, after all this was the day they awaited from many weeks. On the opening ceremony, there was surah recitation followed by Splendid Drill Activity. All the students were getting warmed up and making themselves ready for their own events. Students were selected for different events. They started practising and making them well and fit for the day. Students were happy as this was the time to enjoy beyond the studies. All students were practising and making themselves well and fit for the day. Each and every student have participated in many different games.

As it was the annual sports meet, besides students and Admin staff, parents were also taking part very enthusiastically. That morning after the assembly one by one all the events got started. Students were instructed to be ready with their events before

9:00am. From there all the teachers and students gathered together to the organized sports field. A tent was arranged for the participant students. Students were made to sit there under the shade. They were served morning snacks. They were given instructions regarding their events. The names of respective participants were announced. They were tagged with events race number. Our school Principal gave special instruction to the parents who were the spectators in the stadium, to maintain peace and order, to cheer the students and to follow protocols of the school. They were requested that they shall not try to reach or call their children before their events. Any of their activity should not create any obstacle while the on-going process of the event. Before commencement of the events, our teachers' in-charge guided the students before they leave for their events in the ground. Several common athletic games like 10m Racing, Balloon Race, Frog Jump, Sack Jump, Musical Chair, etc. were on the list of scheduled competition.

The full fledge sports events started. Apart from that many volunteers from parent's teachers association were also there to help out if any participants if facing any issue in the field. An all-time security guard was present to ensure the security of the students.

Very first was the 10 Meter Race. Names of the students participating in race were called out. Students took their position, one of the staff was appointed to whistle for the race to start. Winners were instantly announced. Next was get ready to school race. Students arrived in the ground took their position. Uniform, Bag Water Bottle, Lunch Box was provided to them. They had to wear get ready and run to finishing point, winners were announced. Then there was the frog race. Students had to hop and reach the finishing line. Race began and all heard the whistling, race was done and winners were immediately declared. Next was the back to back balloon race, students had to hold balloon back to back, do not allow it to fall and reach the finishing line. Then it came, the vegetable collecting race. Different vegetables were placed at suitable distances. Students had to collect them from different places and reach the finishing line. Then, sharpen the pencil race. Few pencils were given to them to sharpen and then reach the finishing point. Big Foot Race, Lemon and Spoon Race the Balloon Bursting Race, Potato Race, etc. were the many more races conducted. An announcer was constantly announcing the name of the winners of the race. They were simultaneously given the awards by our judges and chief guests. Finally all the races came to an end. As almost

every student of the school participated in sports, the whole competition went longer. It was almost 5:00pm when the whole competition process came to an end. Our Mudarriseen were continuously assisting the teachers as well as the students.

Now came the most awaited time for which the students were waiting for so long. Prize distribution was held. Our honourable Chief Guest was finally called to the stage to give away prizes. The Headmaster announced the final result; names of winners were honoured by the Chief guest. He handed over the prizes to the winners. Students stood on the winning post. Position holders were given medals, certificates and cash prizes. Rest everyone received participation certificates. The honourable delivered a short speech towards students explaining the significance of sports in students' life.

Some races and games were conducted for parents and admin staff. Parents enthusiastically participated in 200m race, high jump, and long jump, and game like bombing the city. Admin and male staff played a small session of foot ball and cricket games. Female teaching staff played the game of musical chair. Thus a joyful day came to an end and everyone returned with a heart full of memories. At the very end, the honourable Headmaster promised the next Annual Sports Event to be much more joyous and well organised. He also announced next day as holiday for students and well as for the staff.

Parents collected their children from their respective class teachers. Students were distributed snacks and fruity packs before they leave. Our honourable chairman and principal took a short review of the event from teachers and admin staff. Positive points were recorded and negative points were highlighted. Advices, remarks and feedbacks were taken from each and every staff for the betterment of the sports event in future. The entire staffs then left. The staff boarded the school bus and they were dropped at their respective residence.
